ACTION ON POLLUTION FELL FLAT

A move to establish a pollution abatement committee in Altona fell flat at a public meeting last Monday night.

Of the 160 residents at the meeting, which was held in the Civic offices, only one nomination was received.

By the time nominations were called the audience had dwindled to 20 or 30 people.

Highlights of the meeting were the clashes between members of the audience and Mr. Alec Knight, M.L.A.

The meeting, chaired by Mr. Ted Houston, of Altona North, filled the hall to capacity.

One of the residents at the meeting, addressing Mr. Knight said:

"I hoped that the new act would operate on its own without us having to complain all the time."

"I've been complaining for some three or four years now and I'm sick of it."

He added that he thought Mr. Knight had insulted the Altona Council with a previous remark.

Mr. Knight reacted quickly telling the man to "open his ears".

He said: "It is your right to have your own opinion, I don't want a Nazi-land which I fought against in the last war."

"I don't want a nation of police pimps and informers."

Visibly reddened, he returned to his seat.

Another speaker at the meeting was Cr. Les Crofts, the Council's Pollution expert.

He told how returning from Ballarat last weekend he stopped on top of the Pentland hills and saw the long cloud of pollution which appeared to cover the whole of Melbourne.

He said: "The whole of Melbourne was dark, and you could certainly see the extent of the problem."

He went on to outline the council's action to combat pollution in the city.

Later he was questioned on pollution at the Altona beach by a young man.

The young man said: "Cr. Crofts, I question your statement that Altona beach is a beautiful beach. I think it's a lousy beach."

"Recently I noticed black water coming out of the drain opposite Mulga street. It's hard to imagine isn't it, black waves?"

Cr. Crofts replied that the drain was owned by the Board of Works and had already been cleaned with chloride.

"It is an extremely expensive process," said Cr. Crofts.

"The only answer is sewerage and until then we'll be plagued with this problem," he said.

The residents attending the meeting expecting some sort of action — they didn't get any.

"People at the meeting, included those not directly concerned expressed their disappointment after the meeting."

Mr. Knight said he thought the meeting reflected the government lack of ability to stop the spread of pollution.

Mr. Knight said: "The people are sick of waiting they've decided to do something themselves."

STAR GAZE

During the past week Alexandra the Great 48 has entertained the members at the Altona Working Men's Club. Answering one of the interjectors she said: "Who sent you here, Sabrina?"

On the subject of entertainment, Alexandra's show showed that several club members might have hidden talents. Alexandra had no troubles getting volunteers from the audience for her act.

No wonder we're raising a generation of problem children. Two Altona women this week puzzled over a picture in a child's coloring book from which you were supposed to guess the title of a fairy story. The picture was a pea pod. The answer: Jack and the Beanstalk.

There's a move to put fish in Cherry Lake. Suggestions and signatures are being collected at the moment. Anyone interested should contact Constable Terry Eayden at the Altona police station.

At last Monday night's pollution meeting in the Civic Offices Mr. Alec Knight MLA, said that the Altona council needed a permit to dump rubbish. An interjector said: "That figures, there's been a lot of rubbish dumped on Altona lately."

On the subject of pollution any member of the public can ring The Star or the Altona City Council to report pollution. The Star's number is 398 2277, the Council's 393 2244.

School bomb scare

A milk bottle, partly filled with petrol and stuffed with a rag wick was found in the grounds of Seaholme State School last Monday night.

It was found by the school's principal, Mr. Murray Edmonds.

Mr. Edmonds dismissed the idea that someone had been disturbed while trying to burn the school down.

He said that it was probably children who had made the bomb away from home, because their father wouldn't let them.

Similar bottles have been described as Molotov cocktails, which have been used in guerilla

fighting all over the world.

The wick is lit and the bottle is smashed, spreading flaming gasoline over a wide area.

Mr. Edmonds said when he discovered the bottle on its side in the football ground he called Altona police, but gaining no answer he rang Newport Police.

Newport police and the Williamstown CIB are investigating the incident.

QUEEN'S BADGES FOR THREE GIRLS

Three girls from the first Altona Guide Pack were presented with their Queen's guide badges at the annual Guides and Brownies Association last week.

They were Susan Noble, Marianne Hapful and Kerstie Toom.

The parents of the girls were on hand for the presentations.

The last Queen's Guide Badge presentation to the pack was in 1969, when Susan's sister was given her badge.

Other guides and brownies from Altona were present to receive the badges they have won during the year.

Report sought on crime

Altona City Council has circulated forms to Altona businessmen this week asking them to compile a list of damages and thefts on their businesses during the last 12 months.

The action is a result of a request from Cr. Charles Carlson to the Town Clerk, Mr. Waters, at the last council meeting a fortnight ago.

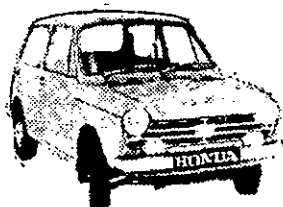

Cr. Carlson acted on information from the Star's investigation before its publication.

The information from

the forms will be collated by the council and tabled as a report.

The findings are expected to be sent to the Chief Secretary, Mr. Hamer, along with recommendations for improved police protection in Altona.

A number of features have been published in The Star recently about Altona women involved in charity and social work. This week we present another—Mrs Lorna Carruthers—who for many years has had a deep and abiding commitment to community work.

PART OF HER NATURE IS CO-OPERATION

Like the other women, Mrs. Carruthers is entirely selfless, not seeking publicity or laurels, merely co-operating, because co-operating is a part of her nature.

Mrs. Carruthers' association with Altona began, almost 26 years ago, when she and her husband, Wally, pitched a tent on land in David Street, awaiting the time and money to build their home.

In itself, Mrs. Carruthers said, "It wasn't

unusual, others were doing it." Mr. Carruthers later became shire president of Werribee, when Altona was still a part of the shire.

SCOUTS

In 1945 Mr. Carruthers later became the District Commissioner of the Boy Scouts, and Mrs. Carruthers joined the ladies' scout committee.

She later became Dis-

trict Commissioner for the Girl Guides, a post she occupied for 20 years.

During this period the Carruthers had three children, Doug, Roger and Geoff.

So Mrs. Carruthers joined the committee of the Altona Primary School, a position she held for 15 years.

During the same period she was nominated by the Governor-in-Council as a Justice of the Peace.

She said that fortunately during the 13 years she was a JP she had not been called to sit on the bench at a Petty Sessions hearing, or as they are now known Magistrates Court.

She is mainly involved in advising people, and witnessing documents.

TO HELP

Asked why she became involved she replied, for the pleasure of helping people and a feeling of civic responsibility.

She said: "I'm against the idea of parents dumping their children at scouts, guides or little athletics and forgetting about them."

"I believe it is a parent's job to be involved in the things their children are involved in, and not leave it to the 'silly ones.'"

"I don't want to seem too critical on that point, I realise there are many organisations, at schools, churches and clubs which call on the weekly pay packet."

"When we first came to Altona, there were guides, scouts, football and cricket and that's all."

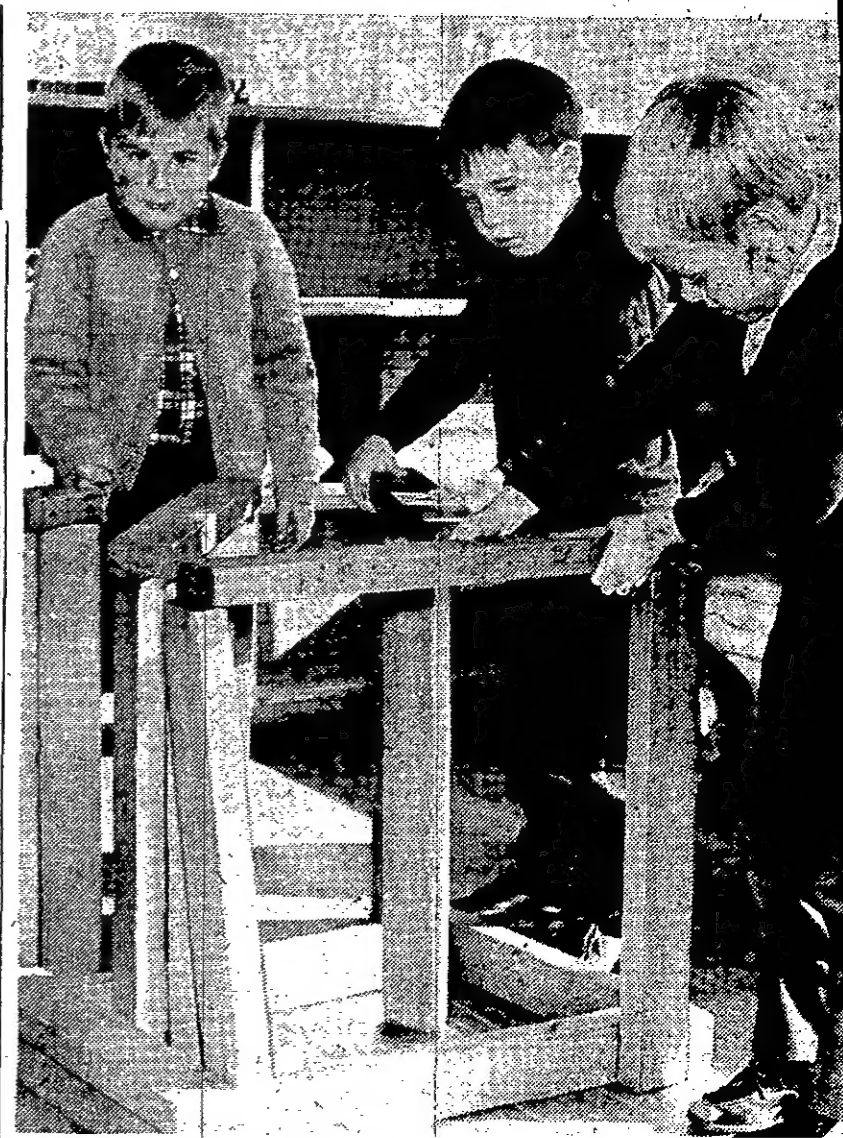

"Now they're everywhere, and kids still say there's nothing to do in Altona."

Lorna is now employed by the Altona City Council, where she supervises meals on wheels and helps with pre-school immunisations.

She also co-ordinates the junior council.

The Carruthers have shifted into a new house in Hoppers Crossing.

Typical of community consciousness as a family, they bought the Rotary Community Service Home, which was built by voluntary labor, to raise money for charity.

Playing is serious work, or so it would seem from the expressions on the faces of these youngsters at Altona Kindergarten. They are (left to right) James Farmer, Glen O'Driscoll, and Ian Waters.

BLOOD BANK TO VISIT

The Red Cross mobile blood bank will be in the western suburbs on Monday, June 28.

It will visit Altona Civic Hall from 9.45 a.m. to 3.15 p.m.

Donors are needed more urgently than ever because many healthy donors are hit by colds and flu during winter.

HOSPITAL SCHOOL

The Minister for Health (Mr. Rossiter) will open the Footscray and District, Hospital School of Nursing extensions on May 26.

The extensions comprise extra classrooms, offices and study rooms needed to solve overcrowding at the hospital.

The extensions will meet the present and future needs for trainees at the hospital.

Schoolgirls to get German measles shots

Schoolgirls in Altona will soon be able to get shots to protect them from German measles.

The City Chief Health Inspector, Mr. John Mellors, told council that treatment for schoolage girls will be given late in the second term at the schools.

Mr. Mellors' report came after the Minister for Health, Mr. Rossiter, announced that the vaccine was available from the Health Department.

Mr. Rossiter said the vaccine would be free to immunise girls between 12 and 14, and that arrangements would be made through municipal councils.

He added: "The vaccine will also be supplied free for other females over this age group, but immunisation must be arranged through a doctor and the usual doctor's fee paid for giving the injection."

Mr. Rossiter said that immunisation was recommended even though a person had already had German measles.

He added: "It is a small precaution to take against a disease that may affect an unborn child if a woman develops German measles, especially during the early months of pregnancy."

"An attack of this disease during pregnancy could lead to blindness, deafness, mental retardation and other defects in the child at birth."

Val's Column

Hello Girls,

The shiniest lips yet, thanks to Revlon.

Introducing eight shades of super shiny lip-glissers to smooth over your lips with your fingertips. Four of these colors — transparent glisser shades, the other four — frosty. All in handy little potlets. Smoother, silkier feeling, lip moisturisers that won't discolor, but stay on so shiny.

These new colors, in new glisser finish, go so well with Natural Wonder Pearly Lid Shadows and Eye Openers, for that total frost (shine-look).

Three pearly water paint shadows that glimmer with frost, just stroke on gleam. Natural Wonder Eye Openers, those two little creams, so gentle in color, but what a wonderful wide-eye they make. All part of a modern pace.

Choosing the correct shampoo for your hair is very important. Your hair is either fine or coarse, dry or oily — but probably you use some kind of coloring too. Now you want to keep that color through as many washes as possible, and has this same coloring affected your hair? Gentle shampoos are better for your hair if it is color treated.

Use the correct conditioner — are you wanting to keep that flexibility and shine — or are you correcting damage caused by bleaching or the weather?

If your hair is severely damaged Clairol have a superb oil treatment ready for you in handy sashes. It is called Clairol Condition Plus Oil Treatment. And how long have been wondering how to give fine hair more body?

By using Clairol Great Body after you wash your hair you will get body, bounce and texture. Special protein fortifies, conditions your hair to a luxurious shine. Everyone can use Great Body — the only real body builder for hair.

Treat you hair as you would good quality clothing — because it is isn't it?

Bye.

Presbyterian Church for their wedding

Married at Altona Presbyterian Church were the former Miss Janice Joy Peachey and Mr. Allan Raymond Lowley of Altona.

Janice is the youngest daughter of Mr. and Mrs. R. Lawley, of Seaholme; the groom is the second son of Mr. and Mrs. L. Peachey, of Seaholme.

The bride's frock was silk organza, with hand-sewn flowers. She wore a headpiece of silk organza supporting a three-tier veil.

Her accessory was a bible trimmed with a feather and velvet ribbon trailer.

Her bridesmaids, Miss Lynette Briggs, Miss Jasmine Lemmon and Miss Yvonne Peachey, wore V-necked maroon spotted shantung frocks and velvet chokers.

Their bouquets were white carnations with white and maroon streamers.

Allan's best man was his brother, assisted by Shane Cronin.

The reception was at Shirley Park Reception, Williamstown.

The couple are honeymooning in Surfers Paradise.

Alexandra at Altona

Members of the Altona Working Men's Club saw one of the last performances of stripper Alexandra the Great 48 at the club last Friday night.

Members received her

act well, particularly the audience participation sections.

On the same bill were comedian Jack Perry, of Zig and Zag fame and Margaret Baker, an organist.

SHE'S A SMART COOKIE

Tempting food is about the only enjoyable thing you can look forward to, if you're a patient in hospital.

As a cook, Mrs. Doreen Hammersley (pictured), made recovery pleasant for hundreds of people at Altona Hospital during the past 22 years.

She said: "One day the cook walked out and they couldn't get anybody to replace her."

"And when I asked who is going to be the next cook, they said 'you are'."

"I panicked and said I couldn't cook, but it didn't make any difference."

"They got me to work somehow, but I was so nervous that I dropped a large bowl of warm dripping and it went everywhere."

"The matron found me on the kitchen floor bawling my eyes out."

"Then I buckled down and did the job anyhow. Now I love it."

Mrs. Hammersley, who lives in Queen Street re-

gards the hospital as a home away from home.

She said: "Some of the patients come back after a spell of 3-4 years and they say to me: 'don't you know that I take my tea black?'"

"They expect you to remember after all that time. I just have a quiet chuckle to myself."

She said: "The only thing I hate to cook is Yorkshire pudding."

"It was never shipped up to me when I was a child and I just haven't the touch to make it."

But she prepares all dishes from roast chicken to lamb cutlets, so well, that patients often ask for her recipes.

She said: "We have a menu here and patients can make a choice between various meat dishes and sweets."

"One young mother came from Horsham to have her second baby here also, she liked the food and the nurses here so much."

Mrs. Hammersley has three daughters, a son and seven grandchildren.

She said: "When I first

started baking pumpkin pies in 1949 they seemed very popular."

"Young women, who were born here tell me their mothers promised they'll get my lovely pies too."

"But I don't make those any more."

This recipe seemed so delicious, that I asked Mrs. Hammersley to pass it on to The Star readers.

She said: "Mix a cup of cold, cooked pumpkin, three eggs, one pint of milk, 2 teaspoons of cinnamon, 1/2 teaspoon of nutmeg, 1 teaspoon of mixed spices and 3/4 cup of sugar."

"Beat this together to make a filling and pour the mixture into uncooked pastry shell."

"Bake in very hot oven for 10 minutes and reduce the temperature to 350 for another 30 minutes."

● Mrs. Hammersley said: "I like food, but then all good cooks like their food."

RACV SUGGESTS DOUBLE LINES

The Royal Automobile Club of Victoria wants council to have double lines painted at the intersection of Hall Street and Simcock Avenue, Williamstown.

The club's traffic engineering and safety department wrote to Williamstown Council that they had received complaints

that head-on accidents could easily happen at the intersection.

The department said the paths taken by vehicles when negotiating the intersection could lead to accidents.

They suggested painting double lines to ensure that traffic did not travel on the wrong side of the intersection.

The city engineer, Mr. Rees, will report on the feasibility of the suggestion to council's traffic committee.

Not new

A par in the Star Gaze column last week about "light pollution" from the petrochemical flare has led to a deluge of phone calls and letters.

One of the most outstanding is a short, to the point letter from Mr. C. E. Harris, of Hammond Street, Altona West.

Dear Sir,
In your Star Gaze column on May 19, you reported on a PC chief as having said they were confronted with a new form of pollution, namely excessive light from their flare.

Hardly "new" to residents in West Altona!

Continuous complaints have been made since April 1970.

Regarding his statement that smell and noise having been combated, I can't help but feel that this was said with tongue in cheek!

Navy men

Petty officer John Ruan, 28, from Mirana Avenue, Kilburn, shows the mechanics of a ship's wheel to Williamstown Naval Dockyard apprentices Garry Reardon, (left) from Laverton and John Puopolo from North Altona.

Petty officer Ruan is on the instruction staff at the RAN's engineering school at HMAS CERBERUS at Westernport, Victoria.

DAY, NIGHT AND WEEK-
ENDS

Conservation film night

Films will be featured at the next general meeting of the Williamstown Conservation and Planning Society, at the Mechanics Institute on Friday night.

The Turn of The Tide, a film made by Ian Wallis, a post graduate student at Monash University, will be shown.

It is a study of Western-

port Bay and raises problems encountered by closed waters.

It also delves into the question of the effects of population and industry in the form of reclamation, jet-ties and pollution.

Local intrepid birdmen have filmed part of Williamstown's foreshore from the air covering the area from the football ground to the Yarra River.

This film will also be shown.

On display for discussion

will be a model of the Point Gellibrand area, showing ideas for re-planning which does not include a dry rock.

This should be of particular interest to anyone who knows the recreational potential of the area and who uses it for fishing, swimming, rock-climbing or just watching boats go by.

As with all of the society's meetings, this will be open to the public. Those interested in the future good of the environment of Williamstown will be welcome.

THE CURTAIN RISES

One of the most interesting aspects of a critic's lot is that he or she has the opportunity to see many new and exciting shows.

This week, the critics and all of Melbourne are reviewing *Hair*.

It's a strange comment in the world we live in that a musical pop opera should be the cause of so much publicity.

It may be excellent entertainment but its value as a social document is doubtful.

Probably Brix's play, *Damaged Goods* which dealt with social diseases, was valuable in its way, in its time, but these days it is rarely read and never played.

This surely will be the fate of *Hair*.

It seems only a short time ago that *My Fair Lady* was the show that

caused the most excitement and pleasure around the city.

Times change and so do fashions. Because times change, the Williamstown Little Theatre for its July show, *Anne Jellicoe's The Knack*, is a comedy about young people which was a very great success as a play and later as a film.

Frank Wadds, who produced with great success, *A Taste of Honey*, has returned to work with four young people to bring on stage a play that will be something different for local audiences.

MISSION '71 UNDER WAY

The Williamstown Church of Christ has announced the opening of Mission '71.

It begins tonight and runs through until Sunday.

At the opening at 7.45 p.m., the guest speaker will be Mr. Les Armstrong, Church of Christ, Brisbane.

Guest artists throughout the mission will be the Firebrands, Peter and Don, the First Generation, Frances Yors, Lillian Morgan and Arthur Haskell.

A youth special begins tomorrow (Thursday) at 5.45 p.m. with a young people's tea. This will be followed by a special service with L. Armstrong as speaker.

All young people are invited to attend this meeting with guest artists First Generation and Mrs. Frances Myers.

Tea is provided and there is no charge.

A Thanksgiving Communion service will climax the Mission on Sunday (Pentecost).

BLOOD BANK

A Red Cross mobile blood bank collecting unit will be coming to the Altona Civic Hall on Monday June 28.

It will be there from 9.45 a.m. until 3.15 p.m.

The Red Cross says that over the winter months there is a drop in the number of donors, as many normally healthy donors catch flu and being on antibiotics cannot give blood.

The only solution to this is to increase the number of donors.

and a final service of Inspiration will be held at 7 p.m. followed by an after-church fellowship.

A women's evening Fellowship will be held next Wednesday for a Jewish Night with Mrs. J. Hunting of the Jewish Evangelical Witness.

Meetings will be held each morning between 6 and 6.30 a.m. for prayer during Mission '71. On Sunday the meeting will be held from 8 to 8.30 a.m.

GEM OF AN EVENING

The next social evening of the Western Suburbs Lapidary Club is on Friday in the Methodist Church Hall at 8 p.m.

This evening will take the form of a games night as did the April social.

Everyone enjoyed themselves so much they wanted a repeat.

For those of you who didn't come last month make sure you don't miss this one.

On Thursday afternoon there was a good crowd for cards and games.

Special Effort winners were Mrs. M. Pugsley, Mrs. Allen and Mrs. Nash.

On Friday afternoon the billiards finals were played at Yarraville.

Altona won four nil, with Mr. McCormack, Mr. Bleakley, Mr. Gerrard and Mr. Rowe representing the club.

An Altona House of Friendship indoor bowls C team comprised of Mrs. Graham (S), Mrs. McKeishon, Mr. Park and Mrs. Freebody, was beaten.

Baptist news

The Rev. Norman Pell, General Superintendent of the Baptist Union of Victoria, will speak on the subject *What is a Baptist* to the Youth Group next Friday evening, at 8 p.m., at the church in Sargood Street, Altona.

Mr. Pell has recently returned from a seven-year stay in Canada, where he worked with the Billy Graham Evangelistic Association.

He is an experienced youth worker.

Although this is a Youth Group Night, all friends of the church are invited to attend and an opportunity for questions will be given.

Supper will be served at the close of the meeting.

The Baptist Girls' Fellowship has resumed after the school holidays and meets each Monday evening at 6.30 p.m.

The boys' club has also

resumed and meets on Tuesday evenings at 7 p.m.

The Prayer Meeting will be held each Wednesday evening at 7.30 p.m.

Next Sunday the Family Service and Sunday School will be conducted at 9.45 a.m. and the Worship Service at 11.15 a.m.

Both services will be conducted by Rev. R. J. Reynolds.

At the 7 p.m. service the speaker will be Mr. Ken York, who is at present engaged in a course of study at the Adelaide Bible Institute.

Mr. York is preparing for missionary work in Africa.

Hall progress

Although an official completion date for the Williamstown High School assembly hall has not yet been given, the building is taking on a pleasing aspect.

Plans for the finishing touches, such as blackout curtains, stage curtains and basic physical education equipment are well in hand.

These finishing touches will be very expensive items and the fund-raisers are working hard to find the necessary money to match the Government subsidy available for these furnishings.

A jumble sale has been arranged for Saturday, June 5, to be held in the old school rooms on the assembly hall site, from 10 a.m.-3 p.m.

Goods may be left with

Mrs. R. Malbon, 81 Verdon Street; Mrs. B. Owen, 46 Pascoe Street, or at Ironside's Garage, 97 Ferguson Street, Williamstown.

Come and have a rummage on June 5 and have a look at the progress of the hall.

Results of the Mother's Day "chicken and champagne dinner" special effort, drawn at the last basket and bottle social, are: 1st, Mrs. Searle, of Broadmeadows; 2nd, Mr. D. Crewes, of the Steam-packet Hotel, and 3rd, Mrs. Nixon, of West Footscray.

Parents and citizens meet in the science room, new wing, on the third Wednesday of each month at 7.45 p.m.

SIX TB CASES AT WILLIAMSTOWN

So far six cases of pulmonary tuberculosis have been confirmed since an X-ray survey was taken of the Williamstown municipality.

The survey disclosed nine suspected cases of the disease.

Williamstown's chief health inspector, Mr. N. Hawthorn, reported this to council last week.

He said several cases of lung cancer had also been detected.

Printing Permit

The council's planning committee will examine a request for a permit for a printing business at 3 Kororoit Creek Road.

Council has received an application for a land use permit from Messrs. E. and D. Yannopoulos, of 179 Ferguson Street, Williamstown.

They want to run a printing business in existing shop premises.

ENGAGED

Announcing their engagement this week are Miss Margaret Rosso, of Queen Street, Altona, and Mr. Larry Regoni, of Horne Street, Brunswick.

Elderlies meet

The Williamstown senior citizens' club was recently paid a visit by members of a senior citizens' club from Ballarat.

A pleasant day was spent with community singing, dancing and bowls.

The Williamstown sen-

'Pollution' case dismissed

A prosecution against Smorgons, Sunshine, alleging discharging oil into Stony Creek last month has been dismissed in the City Court.

Williamstown's chief health inspector, Mr. N. Hawthorn, reported at the last council meeting that he had been called on to give evidence in the case. He was the only witness who had a sample of the oil discharged into the creek.

The case was brought against Smorgons by the Board of Works.

Mr. Hawthorn reported that officers from the Board of Works could not prove conclusively that the oil was discharged from Smorgons' premises.

CONVERSION WARNING ON HEATERS

Cr. Leo Hoffmann has warned about the troubles in converting briquette heaters to oil heating.

Cr. Hoffmann told Williamstown Council that the residue from burning briquettes formed sulphuric acid when mixed with water.

This could eat through copper oil-carrying pipes.

Cr. Hoffmann told councillors about one of his ward ratepayers whose carpets were severely damaged by oil leaking from corroded copper pipes.

for citizens also visited Warburton and spent a most enjoyable day.

On a less happy note, the Williamstown senior citizens would like to pay their respects to Mrs. R. Freeth, a well-respected and very active member of the club who died recently.

Those lucky customers at Burke & Co. get a free view of Pat Mitchell, 16 with the long, swinging hair, trendy clothes and friendly smile.

Pat, who is a salesgirl, relaxes with music in her spare time.

CUBS AND SCOUTS

The next parents' committee meeting of the 1st Altona Cub and Scouts parents' group will be held next Wednesday at the scout hall. All parents are welcome.

IT'S IN THE POT

For those ladies who feel like a yummy casserole lunch and the music of Mr. M. Hendry, well known organist, it's yours — for a dollar.

To be spoilt like this. Simply contact Mrs. Dugan, of the Christ Church, Newport Ladies' Guild and Town Committee on 391 1062, or the Rev. Bradden, on 391 1206.

The lunch will start at noon next Wednesday in the church's hall, at 61 Mason Street, Newport.

The guild and committee are catering and all are invited.

Blood Bank Visit

The Red Cross mobile blood collecting unit will visit Williamstown town hall on Monday, June 7, from 1.30 p.m. to 7 p.m. It is easy and painless to be a donor.

Your blood could save the life of a person, who needs a transfusion in order to have an operation.

HOCKEY LOSS TO GREENSBOROUGH

Playing in very warm conditions, Altona were up against a top class side, Greensborough, in the weekend's hockey.

They were often forced to defend the many forward attacks by Burra.

If it hadn't been for the steady defence work of Bob Verity and Max Blakiston, Altona would have been a lot more than two goals down at half-time.

But Altona were not entirely beaten during the first half.

When both teams were scoreless, Altona forced a penalty corner.

Ross Ford picked the ball on to his stick and crashed it at goals, only to see the ball rebound off the goal post.

Had this ball gone into the net, then Altona would have been well and truly in the game.

After half-time, Altona attacked and showed more purpose up forward.

This extra drive displayed by Altona put the opposition under a great deal of pressure.

Shane Cronin was moved to the right wing and gave the team extra drive with long leads up forward.

Allan Ballie and Ross Ford combined well in working hard for scoring shots.

The A's had a great deal of the play during the second half, but again failed to convert them into goals, while the opposition netted another two.

Although well beaten, coach Max Blakiston must have been pleased with the way his young side never gave in against the more experienced Greensborough team.

After five games it is interesting to note that only one field goal has been scored by an Altona forward.

The rest of the goals have been scored by defender Wal Lenyszyn from penalty corner shots.

This Saturday the A's come up against Essendon who are undefeated competition leaders.

Unless the forwards can pull a little extra out and take pressure off their defence, they may well be faced with a cricknet score being hit against them at Grant Reserve on Saturday.

C GRADE.

Altona remains unbeaten after five games by defeating Geelong 4-0 at home in a rather disappointing game.

This is because of too many individual efforts which led to scrappy play.

At times play was reduced to a standard well below C Grade.

Pleasing aspects were the sound defence which the team is developing, and glimpses of the type of hockey that this team is capable of when Ian Bennett scored.

The penalty corner trio scored a terrific goal which the Geelong defence had no hope of stopping.

Other goals were by P. Byrne and H. Doerner. Best: Robertson, R. Smith, Byrnes.

D GRADE.

Altona journeyed to Royal Park and scored an upset 1-0 win over formerly undefeated MUHC.

The game was played at a fast pace from the start

and Altona were forced to defend continually.

Following many close calls, Altona attacked and after a corner, good team work allowed Graham Blunt to score.

The second half saw continual pressure on Altona but Steve Robertson was impassable in goals.

With all players in defence, Altona lasted through a long second half to take a well earned win over the ladder leaders.

UNDER 14.

Altona defeated Fairfield 8-0 in a scrappy game.

Geoff Studley had full control of the centre while the three inside forwards combined well together.

It was good to see the forwards showing aggression in the circle.

Goals: A. Relf (3), M. Burgess (2), G. Studley (2) and S. Smith (1).

G. Studley was best player.

Under 18 fixtures for May 30 are: Altona v. Newport; Brooklyn v. Laverton 8.

Trinity juniors score double

For the first time this season, both the under 12's & under 14's were successful.

A brilliant last quarter ensured an easy win for the under 12s.

The under 14 team had to overcome stubborn resistance and inaccurate kicking to gain its win.

The under 10 team played poorly in losing to Port YMCA.

Under 14 Holy Trinity 4.23 (37) beat Yarra boys 2.13 (25).

Goals: B. Muldowney 2, A. Sims 1, S. Scarlaro 1. Best: D. Scarlaro, B. Muldowney, C. Thomson, E. Messina, S. Hewitt, G. Wilson and S. Wilson.

Under 12 Holy Trinity 10.6 (66) beat Yarra boys 4.6 (30).

Goals: J. Murphy 5, P. Dicks 3, S. Smith 2.

Best: R. Wolski, J. Dean, J. Murphy, D. Hem, P. Dicks, S. Smith, E. Wolski and K. Matty.

Under 10 Holy Trinity 2.4 (16) lost to Port YMCA 7.6 (48).

Goals: D. Jordan 1, B. Spicer 1. Best: B. Spicer, D. Selvidge, D. Jordan, P. Kelley and K. Martin.

FIRSTS STILL UNDEFEATED

Williamstown CYMS firsts had a comfortable win over Mentone at the weekend.

The match had a torrid start with no beg pardons by either side.

Town were breaking away and went to an early lead.

The opposition attacked several times but our backs kept forcing them into error.

After an interesting first quarter Town had a 20 point lead.

In the second quarter Mentone threw themselves into the fray with great enthusiasm and had most of the play this time.

Town's players were not teaming well and made many elementary mistakes.

The opposition were using intelligent handball

and their big men were marking well all around the ground.

At the half time interval, Town were 4 points down after a very poor quarter.

After a severe roasting by coach, Dick Harris, Town came out a completely different side.

With a fine display of power football, our players scored eight goals to nil for the quarter.

This was the most dynamic display by Town for the season.

Players teamed together very well and big men controlled the air.

The back line was right on top of the opposition.

Although Mentone tried desperately to get back

into the match Town now had complete control in the final quarter.

The quarter was a hard affair with quite a few physical clashes.

Town's superior fitness showed out as the quarter progressed and we ran out quite comfortable winners.

Final scores: Williamstown 15.9 (99) d. Mentone 5.12 (42).

Best players were: T. Hynes, M. Ward, D. Wilkie, L. Rosser, P. Zamykal.

Goals were scored by: T. Hynes (5), S. Rieger (3), D. Jones (2), J. Stonehouse (2), P. Zamykal, G. Smith, K. Johnson (1).

This week the firsts play South Melbourne away and the seconds play Port Melbourne at Pearson Reserve.

ALTONA TENNIS TITLES PLAYED

Following are the results of last week's rounds in the Altona Tennis Club championships:

In the major upset of the day, Wayne Thomas defeated Maurice Borcich 6-4, 6-4 in the men's A grade singles.

Thomas, in devastating form, retrieved some incredible shots and richly deserved his win.

In the other A grade men's events Greg Findlay defeated John Trickey 6-2, 6-5, to reach the final.

Ron Graham played great tennis and was far too good for Robert Will- ey, 6-1, 6-0.

Graham now plays Thomas in the semi-final.

B GRADE

Yvette Robertson beat Janice Burk 10-5 in the B grade ladies.

Early in the match it seemed there could be an upset with Janice playing very well, but Yvette was too strong in the closing stages of the set.

Jill Critchley played very good tennis to defeat Julie Findlay 10-5.

Lesley Hyde then went on to defeat Jill Critchley 10-6 to reach the final.

Bev Sandilands played Yvette Robertson and after a marathon set, Bev won 10-9.

This match was highlighted by very long rallies.

OTHER MATCHES

P. Sawyer and W. Thomas defeated I. Harrington and R. Willey 10-8; R. Snowling and G. Wood d. A. Boyd and J. Hayes, 8-5; A. Boyd d. J. Hayes 10-4; A. Findlay d. G. Whitecross 10-1; S. Whitecross d. P. Hayes 10-0; G. Scott d. R. Penfold 10-1; R. Snowling d. G. Critchley 10-4.

The draw for next Sunday's matches is as follows: 8.30 a.m.: O. Ford, P. Hayes, S. Whitecross, G. Crofts; G. Wood, B. Sandilands, A. Boyd, J. Young, J. Burke, S. Jeffrey, L. Stracey and M. Kown.

9.00 a.m.: Y. Robertson, J. Kemp, N. Calvin, B. Colvin, G. Scott, S. Johnson, G. Rowe and J. Bennett.

9.30 a.m.: W. Thomas, R. Graham, D. Ford, D. White, G. Findlay, J. Burke, J. Trickey, Snr., and B. Sandilands.

10 a.m.: S. Whitecross, L. Hyde, M. Keown, J. Hayes, I. Colling, Y. Robertson, M. Orchard and G. Russell.

11 a.m.: W. Thomas, P. Sawyer, G. Findlay, G. Wood, M. Hayes, S. Cartwright, A. Smith, L. Stracey, G. Rowe and G. Critchley.

Next week's draw for junior teams:

ALTONA HAS SOCCER WIN

Altona City played a brand of soccer that was good to watch against Frankston at the weekend.

Positional changes by Harry Sutherland had the side playing in top gear for the first time in weeks.

Altona had wingers — and what a difference it made.

The ball moved around at high speed as the Altona side attacked time and time again.

Micevski was the player who set the pattern with quick use of the ball and accurate passes.

Savage, Herman and Iordanus capitalised on the service with Reid and Kean sweeping upfield ahead of them.

Good keeping foiled a savage shot and a Herman header, but the relentless pressure finally paid off as a ball went through from Herman, who trapped a pass from Micevski.

He passed to Iordanus, who crashed the leather home for a great opening goal.

Hynes and Healey had a firm grip on the Frankston forwards and Murray and Copely saw to it that the goalie wasn't troubled.

Then in another good build-up, Altona cracked home the second goal, this time from Savage.

He got the ball through

good work by Herman and Micevski to slam home more points.

Micevski almost made it three with a header, but the goalie pulled off a great save to keep the half-time score at two nil.

Frankston survived an early onslaught by Altona and then they came home, hammering the defence.

Altona had lost control of the midfield and Frankston scored.

Vanderpool had to be on his toes in goal up till the final whistle as Altona fought to keep Frankston out.

The Reserve I has turned into a team well worth watching.

So far they have been undefeated in eight straight games.

Players like Straubing-er, Collins and Althiem, backed up by Dellamyn, McNeil and Bryden have set up a record for Altona.

Saturday's game was typical of their spirited efforts with Saxton and Neil adding fire up front.

Old hand Bobby Molloy kept the youngsters at it to win by one goal to nil.

Next week's game is at Sunshine and Altona will be without Brian Healey, who is being married that day.

Another player, Johnny Kean, is best man, and this will mean a reshuffle in the ranks but hopefully not a loss of form.
